RE: Permit # M/045/0078 – Kiewit Project

RECEIVED
APR 13 2015
DIV. OF OIL, GAS & MINING

Dear Mr. Baker,

Enclosed please find form MR-REV which shows a change in location for a portion of the crushing area at the Kiewit Mine. A portion of the previous crushing area disturbance has been moved from the south end of the heap leach pad to the east side of the pad. The new area is inside the fence and between the pad and the road. There will be no additional disturbance to the previously approved acreage, and all changes are located on private land.

This is the second submittal for changes to the crusher location. This submittal includes revisions recommended by your staff.

If you have any questions please feel free to contact the undersigned. Thank you for your cooperation.

Sincerely,

Melinda Havenstrite
